

Keynote Speakers

Prof. Dr. S. K. Biswas acquired his B.Tech from Indian Institute of Technology and MSc. from University of Strathclyde, UK. He then obtained his PhD and PD from University of Birmingham, UK. Awarded professorship in 1991, till date he is serving at the Indian Institute of Science in Bangalore, India.

Research interests: Tribology, Nanotribology, Nanomechanics, Thin Films

Prof. Dr. A.S. Md. Abdul Haseeb received his bachelor's and master's degree in metallurgical engineering in 1984 and 1986 respectively from the Bangladesh University of Engineering and Technology (BUET), Dhaka. In 1992, he obtained a PhD in metallurgy and materials engineering from the Catholic University of Leuven, Belgium.

Research interest: Nanostructured materials, materials degradation, electrochemical synthesis of advanced materials

Mr. N.M. Dube is currently a Chairman and Managing Director at Ducom Instruments in Bangalore, India. He obtained his BEng. from Jabalpur University and his MSc. from Indian Institute of Science, Bangalore in 1970 and 1974 respectively.

Area of interests: Mathematics, electronics, physics, instrument design and sensing technologies

Prof. Ille C. Gebeshuber, PhD., is Head of the Laboratory of Biomimetics, Institute of Microengineering and Nanoelectronics (IMEN) at the Universiti Kebangsaan Malaysia, Associate Professor of Experimental Physics at the Institute of Applied Physics at the Vienna University of Technology, Vienna, Austria and Principal Scientist at the Austrian Center of Competence for Tribology, Wiener Neustadt.

Research interest: Microengineering, nanoelectrics
